A RABIAN STALLION FOR SALE.—THE PURE Arabian Horse SAID is for sale on reasonable terms as his present owner has no use for him. To breeders he will be a most valuable acquisition. The following pedigree gives the purity of his blood, with other interesting facts relating to his career; a most valuable acquisition. The following becomes noted the purity of his blood, with other interesting facts relating to his career:

SaID (also spelled Sayed), as given by the groom of Nubar Pasha, Minister to France from Egypt, was fooled on the 3th of March, 1985, at the stables of Rubar Pasha. His aire was the famous Khorassan, the property of Abdul Medjid. Said am was Obian, the property of Nubar Pashs, and is the descendant of the celebrated Januzcar, which leaped the citadel walls with the hast Mameinke Bey when Seeing from Mahomed Ali in 1819. Therefore, Said is a cross between the Redjid bread on the mother's side and the Anassch bread on the side of Khorassan.

This grand Arab stallion exhibited wonderful powers of endurance and speed in the Abyasinian war, being ridden constantly by an officer during that campaign.

For further particulars apply to Mr. FOSTER at the office of Wilkes' Spirit of the Times.

No. 3. Phil letter size (augummed on flap, for circulars), 34 by 5% inches, of the same colors as No. 2, and under a like condition as to the proportion of each.

No. 4. Eura letter size, 34 by 5% inches, of same colors as No. 2, and under a like condition as to the proportion of each.

No. 5. Extra letter size (augummed on flap, for circulars, 35 by 6% inches, of asme colors as No. 2, and under a like condition as to the proportion of each.

No. 6. Extra letter size (augummed on flap, for circulars, 35 by 6% inches, of asme colors as No. 2, and under a like condition as to the proportion of each.

No. 6. Extra letter size, 35% by 5% inches, of same colors as No. 2, and under a like condition as to the proportion of each.

No. 7. Official size 32 by 8% inches, of same colors as No. 2. Official size 32 by 8% inches, of same colors as No. 2.

each.

NEWSPAPER WRAPPERS,
636 by 936 inches, of buff or manila paper.

All the above envelopes and wrappers to be embosaed with postage stamps of suci denominations, styles and colors, and to bear such printing on the face, and to be made in the most thorough manner, of paper of approved quality, manufactured specially for the purpose, with such water marks or other devices to prevent imitation as the Postmaster General may direct.

tured specially for the purpose, with such water marks or other devices to prevent initiation as the Postmaster General may direct.

The curvelopes to be thoroughly and perfectly gummed, the gumming on the flap of each except for circulars to be put on not less than half an inch in width the cattre length. The wrappers to be gummed not less than three-fourtns of an inch in width across the end.

All envelopes and wrappers must be banded in parcels of twenty-five and packed in strong pasteboard or straw boxes, each to contain not less than two hundred and fifty of the letter or extra letter size and one hundred each of the Oilcial or extra official size, separately. The newspaper wrappers to be packed in boxes to contain not less than two hundred and be packed in boxes to contain not less than two hundred and the packed in boxes to contain not less than two hundred and the packed in boxes to contain the supers on at to safely bear transportation by mail for the packed on the curve of a postunaster file straw or pasteboard boxes containing the same must be packed in strong wooden boxes containing the same must be packed in strong wooden boxes containing the same must be packed in strong wooden, the backed upon the same must be packed in strong wooden, the furnished by an agent of the department, must be placed upon each package by the contractor. Wooden cases containing erredpess or wrappers to be transported by water routes must be provided with soutable waterproofing. The whole to be done under the inspection and direction of an agent of the department.

The envelopes and wrappers must be furnished and de-

provided with suitable waterproted of water foilites must be provided with suitable waterproofing. The whole to be done under the inspection and direction of an agent of the department.

The envelopes and wrappers must be furnished and delivered with all reasonable despatch, complete in all respects, ready for use, and in such quantities as may be required to fill the daily orders of postmasters; the deliveries to be made either at the Fost. Office Benartment, Washington, D. C., or at the office of an agent duly authorized to inspect and receive the same; the place of delivery to be at the option of the Postmaster General, and the cost of delivering, as well as all expense of packing, addressing, isbelling and waterproofing to be paid by the contractor.

Bidders are notified that the Bepartment will require, as a condition of the contract, that the envelopes and wrappers shall be manufactured and stored in such manner as to insure security against loss by fire or their. The manufactory must at all times be subject to the inspection of an agent of the Department, who will require the atiputations of the contract to be faithfully observed.

The dies for enbossing the postage stamps on the envelopes and wrappers are to be executed to the satisfaction of the Postmaster General, in the best style, and they are to be provided, renewed and kept in order at the expense of the contractor. The Department reserves the right or requiring new dies for any stamps or denominations of stamps not now used, and any changes of dies or colors shall be made without eatra charge.

Specimens of the stamped envelopes and wrappers now in use may be seen at any of the principal Post Offices, but these specimers are not to be regarded as the style and quality fixed by the Bepartment as a standard for the new contract; bidders are not to be regarded as the style and quality lixed by the Bepartment as a standard for the new contract by between the samples of other and different qualities and styles, including the paper proposed as well as

all bids, if in his judgment the interests of the government require it.

Before closing a contract the successful bidder may be required to prepare new dies and submit impressons thereof. The use of the present dies may or may not be continued.

Bonds, with approved and sufficient sureties, in the sum of \$200,000, will be required for the faithful performance of the contract, as required by the seventeenth section of the act Congress, approved the 16th of Angust, 1842, and payments under said contract will be made quarterly, after proper adjustment of accounts.

The Postmaster General reserves to himself the right to aumit the contract whenever the same or any part thereof is offered for saie for the purpose of speculation, and under no circumstances will a transier of the contract be allowed or sanctioned to any party who shall be, in the opinion of the Postmaster General, less able to fulfit the conditions thereof than the original contractor. The right is also reserved to annul the contract for a faiture to perform faithfully any of its stipulations.

The number of cuyelores of different sizes and of wrangers.

annul the contract for a failure to perform faithfully any of its stipulations.

The number of envelopes of different sizes and of wrappers issued to postmasters during the fiscal year ended June 30, 1863, was as follows:— No. 1. Note size—1,114,650.

No. 2. Ordinary letter size (not heretofore used).

No. 3. Full letter size (ungummed, for circulars)—4,150,000.

No. 4. Full letter size (ungummed, for circulars)—643,500, No. 5. Extra letter size (ungummed, for circulars)—643,500, No. 7. Official size—19,150,000.

No. 8. Extra letter size—4,294,500.

No. 8. Extra letter size—4,294,500.

No. 8. Extra letter size—4,294,500.

No. 9. Official size—19,100.
